

Love You In The Light

Verse 1: Last year, my house was dark with anger and fear
That was a thousand miles away
Now, I've come here to open windows and doors
And opened up to you today

Chorus: I want to love you in the light
Our trust is growing, standing firm and true
I want to love you in the light
And I thank God for finally finding you

Verse 2: Last night, I dreamed of fragrant gardens of green
Our faces washed with morning sun
And shining waters that reflect in your eyes
I'm dreaming you might be the one!

(Repeat Chorus)

Bridge: The light is pouring through our skin
Into our hearts, down to the bone
Blue skies have opened again
And if we're apart, we're never alone

Chorus: I want to love you in the light
Our trust is growing, standing firm and true
I want to love you in the light
And I thank God for finally finding you *(Repeat)*
